

Parent Engagement Pilot Collaboration Team

Project Manager

The Project Manager shall manage the Early Support for Infants and Toddlers Parent Engagement Pilot Project and hire the Parent Engagement Specialist. *The Project Manager is currently Children's Home Society of Washington.*

Parent Engagement Specialist

The Parent Engagement Specialist shall be hired by the Project Manager and serve as the first point of contact for families at the Pilot Site.

Pilot Site

The Pilot Site shall host the Parent Engagement Specialist and designate a CHERISH Family Resource Coordinator to support the Parent Engagement Specialist. *The Pilot Site is currently Northwest Center. There may be an expansion of the Pilot site(s) to include other ESIT providers.*

Additional Collaborators

- *The CHERISH Program at Kindering provides advice and problem solving to inform the Pilot.*
- *King County's Developmental Disabilities and Early Childhood Supports Division provides funding, guidance, and systems oversight to the Pilot.*
